School Supply Drive

Summer is coming to an end, and soon our area schools will be back in session! Let's help local students have a great start to the year by collecting school supplies to donate to those in need. Look for posted flyers with a wish list plus other information, or stop by my office for more details. Thank you for helping serve our community!

Immunization Awareness

August is Immunization Awareness Month and a good time to check with your physician to make sure you are up to date on all of your vaccinations. Remember, flu season is approaching, and it's important to get your flu shot when it becomes available.

Read ... Read ... Read

Did you know that we have a great selection of books for you to check out right here in the library? Whether you are lounging outside or having a lazy day in your apartment, we have a book for you. Come check it out! And remember, we are always glad to receive donations, so when you are done with that bestseller you're reading, drop it off at our library for someone else to enjoy.

Board Games and the Brain

Besides being fun, board games also benefit the brain. The strategy and problem-solving skills involved in playing board games engages the parts of the brain that control memory and complex thinking. Research shows that participating in non-digital games helps keep the mind sharp.

Last Licks

At a family dinner, 8-year-old Tim eagerly served cupcakes he had made himself. After everyone began eating, his uncle asked, "Tim, how did you get the icing to look so smooth?"

"Easy, I licked them," Tim answered proudly.

His uncle gulped and asked, "You licked all of these?"

"Well, no," replied Tim. "After my tongue got tired, I got the dog to help."

Top Dogs

They steal our hearts and make us laugh. Some of the world's most memorable stars have been canines. Celebrate these "pup" culture icons on National Dog Day, Aug. 26.

Petey. The original pooch in "The Little Rascals" kid comedies had a partial black circle around one eye, which makeup artists completed with dye, giving him the distinctive look he's known for.

Pluto. Since 1930, Mickey Mouse's pet and faithful sidekick has entertained audiences with his silly facial expressions and playful personality.

Toto. Dorothy's loyal companion, who journeyed with her from their Kansas farm to a magical land in the classic film "The Wizard of Oz," was played by a black cairn terrier named Terry.

Snoopy. Sleeping on top of his doghouse, pretending to be a World War I flying ace, and writing stories on his typewriter are just a few of the quirky pastimes of Charlie Brown's pet beagle in the "Peanuts" comic strip.

Benji. This heroic mixed-breed mutt, who gets in many predicaments but always manages to save the day, became a box office star when his first film debuted in 1974.

Gidget. The small Chihuahua with the big personality starred in popular commercials for the fast-food chain Taco Bell in the late 1990s.
