#### Independence Day

More than any other holiday, Independence Day unifies our country. Citizens put aside their differences and remember our many reasons for national pride. “From sea to shining sea,” our abundant natural resources support and inspire us. Our diverse populations are the source of our collective strength. Our freedoms and ideals are an inspiration for people around the globe. This Independence Day, experience the full meaning of this special event. Join us on July 4 as we celebrate the birthday of our great nation in the bar area at 3 pm. We’ll have a blast!

#### Banish Summer Boredom

Long summer days with not much on a to-do list can make many seniors stir crazy. If this is the case for you, seize the day and create your own schedule, then stick to it. Think of the things you enjoy doing, then pen your wish list of activities in a daily planner. An example day might be waking up and planning to read the newspaper for an hour after breakfast. Then spend an hour socializing, bird watching or people watching! Slate the next hour as a time for writing—whether poetry, letters to loved ones or personal journaling. Get a friend to craft a similar schedule so your days intersect ... and don’t forget about exercise and community activities. Regular schedules keep our minds focused and give us something to look forward to. So, what are you doing today?

#### Summer Fun

Summer is always fun in our community, and this year is no different. We’re planning fun activities to take advantage of the warm weather, so watch for details in the community activity bulletin. If you have any suggestions, please stop by my office. See you soon! ~ Sherrie
